*Proceedings of the Madras Government, Revenue Department,  
21st March 1871.*

No. 283. Read the following Proceedings of the Board of Revenue, dated 10th March 1871, No. 1,050:—

Read the following letter from the Superintendent of Stamps, to the Acting Secretary to the Board of Revenue, dated Madras, 9th February 1871, No. 201.

I HAVE the honour to request orders on the following point:—

2. In the Proceedings of the Government of India, recorded in Government Order, 21st April last, No. 551, it is stated that the new 1 Anna adhesive purple stamps are intended for use "exclusively for instruments under Section 5, Clause A, of the General Stamp Act."

3. In the Notification of the Government of India, dated 22nd April 1870, No. 97, it is directed that the old 1 Anna Customs stamps, which may still be in stock, be issued simultaneously "with the new 1 Anna adhesive stamps," and the new stamp here referred to is apparently the purple stamp. The stock of Customs stamps being now exhausted, the point on which I require instructions is whether the 1 Anna purple stamp may be issued with the words Court Fees printed across it for use for Customs applications, and, indeed, for the purposes specified in Article I., Schedule 2, of the Court Fees' Act. A large quantity of these new stamps is in store in this office, and I send a label for the Board's inspection.

*Vide page 569 of the Fort Saint George Gazette, dated 10th May 1870.*

ENCLOSURE No. 1.—Label.

SUBMITTED for the orders of Government.

2. The Board presume that the purple stamp with the word Court Fees printed across it may be used for the purposes specified in Article I., Schedule 2, of the Court Fees' Act until the Court Fee stamps, which are under preparation, are received.

No. 284.

ORDER THEREON, 21st March 1871, No. 498.

If no obsolete or otherwise surplus Stamps (adhesive) of 1 Anna value are available for conversion, the Government see no objection to the use of the purple stamps in the manner proposed until the new Court Fees stamps are received from England. They trust that the ink used for the enfacement is indelible.
