Proceedings of the Madras Government, Revenue Department,
21st March 1871.

No. 292. Read the following Proceedings of the Board of Revenue, dated 28th February 1871, No. 880:—

Read the following letter from the Acting Superintending Engineer, 1st Division, to the Acting Secretary to the Board of Revenue, dated Dowlaishweram, 22nd December 1870, No. 3,306.

I HAVE the honour to forward, herewith, copy of a letter, No. 731, dated 10th December 1870, received from the Assistant Engineer in charge No. 2 Range, Vizagapatam, stating that in the estimate* for the road from Ankapilli

to Pudimadaka Rs. 10,000 only were included for compensation for land, whereas the account since received by him from the Collector shows that the amount to be paid on this account is Rs. 27,044, or is 17,044 Rs. in excess of the original item for this purpose.

2. I request, therefore, you will be good enough to move the Board to obtain the sanction of Government for the additional sum, viz., Rs. 17,044, making up the total of the estimate Rs. 57,644.

ENCLOSURE No. 1.

Waltair, 10th December 1870, No. 731.

I HAVE the honour to bring to your notice that, in revising the estimate for the road from Ankapilli to Pudimadaka, I raised the amount entered under the item "Compensation" from Rs. 6,468 to Rs. 10,000, mentioning in paragraph 4 of my Report, No. 967, dated 26th January 1870; that should this amount prove too small, the Collector could alter it when countersigning the project. The entry, however, passed through that officer's office untouched, and I consequently considered it to be ample. But I have just received from Mr. Melville a Statement, of which the enclosed is a copy, showing that the total amount to be paid is Rs. 27,044-7-8; so that the Revenue Board must be asked to sanction the additional Rs. 17,044-7-8.

2. In March last I paid the Collector Rs. 3,529 on this account, but he stated that the amount was not received in time to be distributed, that it lapsed at the close of the official year, and that it was consequently refunded into the treasury. However, the transaction was final as regards my accounts, and there still remains to be paid of the Rs. 10,000 sanctioned, Rs. 6,471. I now request your early permission to advance Rs. 5,000 more out of this sum. The remainder of the current year's allotment will be expended on work, but I will apply for the balance Rs. 1,471 in my Demand Statement, which will be submitted in two or three days.

SUBMITTED to Government with the Board's request for sanction may be accorded to the addition of the sum of Rs. 17,044 to the original estimate of Rs. 40,600 for the construction of the road from Ankapilli to Pudimadaka, which was sanctioned in the Government Order, Revenue Department, dated 2nd May 1870, No. 621.

2. It is observed that the Acting Superintending Engineer should have made the present application like all other references connected with Local Funds through the Collector of the district.

Vide Government Order, Public Works Department, dated 8th June 1868, No. 1,792.

Local Funds, No. 6.

Civil Works.

THE addition of Rs. 17,044 is sanctioned. The Board should have stated how they propose to allot the required funds. The provision made in the Budget for 1871-72 is Rs. 13,740, which, with the computed expenditure up to March 1871, aggregates Rs. 40,600, the amount of the estimate sanctioned in the Order of Government, dated 2nd May 1870, No. 621.

2. The Board will be requested to notice paragraph 2 of the Assistant Engineer's letter, dated 10th December 1870, No. 731. Balances of allotments from Local Funds do not lapse with the official year in the same sense in which they do in regard to Imperial grants.

Hon. Secy. to Govt.

Proceedings of the Madras Government, Revenue Department,
 21st March 1871.

No. 294. Read the following Proceedings of the Board of Revenue, dated 9th March 1871, No. 1,043 :—

Read the following letter from the Collector of Kurnool, to the Acting Secretary to the Board of Revenue, dated Jupad, 21st February 1871, No. 50.

With reference to Board's Standing Circular, No. 341-2, I have the honour to request the sanction of the Board for the refund of Rs. 145-10-5, being the amount of assessment, including road cess, collected in excess for Faslies 1277 and 1278 from Bhuma Narsireddi, a ryot of Kotakonda in the Sirwell Taluq.

2. In Fasli 1277, when this village was settled by the Settlement Department, acres 246-83, assessed at Rs. 278-13-0, were entered in the ryot's puttah. But subsequently, on the complaint of the ryot, it was found that the survey area was wrong, and in the re-survey made by that department, the correct area was found to be only acres 166, cents 67, which causes a corresponding reduction in the assessment of Rs. 82-13-0. The ryot now claims the refund of the excess amount paid by him for the two years that elapsed before the survey area and the assessment were corrected, and I consider his claim a just one.

3. The annexed memorandum shows the particulars of the amount collected in excess and the dates on which it was credited to Government.
