dated 20th March 1871.

No. 319.

From Colonel F. J. Moberly R.E.
Superintending Engineer 2nd Division
To, J. A. C. Boswell Esquire
Offl Collector, Ristna

Sir, I have the honor to inform you that I find from a Comparative statement enclosed, drawn up of estimated and actual cost of work on the road from Guntur to Lattunapally that after balancing savings against excesses there is likely to be wanted Rs 2167 for its completion.

2. The estimate sanctioned amounts to Rs 44,860 the excess will therefore be within 5 per cent and under the provision of para 12-m Ch. IV P.W. Code I am authorized to sanction it.

3. I shall be obliged by your reporting this to the Board and obtaining permission to transfer for expenditure within the current year Rs 1000 from the grant for the road from Guntur to Latur, which will be delayed in consequence of water lying on the track from the quarry to it.

4. As it will be inconvenient to stop the work now in progress at this favorable season of the year I have authorized the Range Officer to push on.

I have recd.

No. 520. Submitted to the Board of Revenue for sanction with the original statement.
To be returned - Ristna District Collector's Office
Masulipatam 16th February 1871 (Signed) J. A. C. Boswell
Offl Collector

The comparative statement showing the estimated and actual cost of work on the road from Guntur to Sattanapally is submitted for the sanction of Government.

2. The original estimate for the work approved in Government Order Revenue Department dated 15th May 1867 N^o 1092 amounted to Rs 43,930, to which Rs 930 were added in Board's Proceedings dated 16th June 1868 N^o 4444 on account of the cost of subordinate supervision, thus raising the total to Rs 44,860.

3. The revised cost of the work is calculated at Rs 47,027-6-0, exhibiting an excess of Rs 2,167-6-0 which is clearly accounted for in the comparative statement.

4. The road appears in the list of incomplete works with an allotment of Rupees 2446. * Vide Board's Proceedings dated 8th July 1870 N^o 4751

5. As there are only a few days more wanting to complete the current official year the Board resolve in anticipation of the sanction of Government to the statement in question, to authorize the transfer of Rs 1000 proposed in para 3 of the Superintending Engineer's letter dated 2nd February 1871 N^o 317.
