*Proceedings of the Madras Government, Revenue Department,
24th March 1871.*

No. 397. Read the following letter from H. G. PRICHARD, Esq., Government Solicitor, Madras, to the Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 24th March 1871, No. 104:—

I HAVE the honour to acknowledge the receipt of the Order of Government, dated 22nd March 1871, No. 529, Revenue Department, together with its enclosures, requesting the Acting Advocate-General's opinion relative to the application made by the Official Assignee of the Insolvent Court at Madras to the Collector of Tinnevely for the issue of a fresh Grant in respect of certain property, situate at Chippacolum in the district of Tinnevely, belonging to the insolvent estate of Messrs. Line & Co.

2. I submitted the matter for the consideration of the Acting Advocate-General; and I now forward herewith a copy of his opinion and return herewith the enclosures forwarded with the Order of Government above noted.

OPINION.

THE Title-deed submitted to me is certainly invalid for want of registration, and this defect is not cured by Act XXVII. of 1868. But inasmuch as the Act under which it ought to have been registered was Act XX. of 1866, and as Section 49 of that Act provides that no unregistered instrument "shall affect any property comprised therein," the result is that the Deed was a mere piece of waste paper, and that there is nothing to prevent Government from issuing a new Indenture to the

that of Mr. Money, advised on by me upon Order of Government, Revenue Department, 31st August 1866.

23rd March 1871.

Opinion.

The title deed submitted to me is certainly invalid for want of registration, and this defect is not cured by Act XXVII of 1868. But inasmuch as the Act under which it ought to have been registered was Act XX of 1866, and as S. 49 of that Act provides that no unregistered Instrument shall affect any property comprised therein, the result is that the deed was a mere piece of waste paper, and that there is nothing to prevent Government from issuing a new Indenture to the same effect, and having it properly registered. This makes the case differ from that of Mr. Money, as advised on by me upon Order of Government Revenue Department, 31st August/66.
