*Proceedings of the Madras Government, Revenue Department,
28th March 1871.*

No. 436. Read the following letter from F. H. WOODROFFE, Esq., Madras Civil Service, to the Secretary to Government, Revenue Department, Fort Saint George, dated 28th March 1871 :—

In pursuance of the leave granted me at page 358 of the *Fort Saint George Gazette* of the 7th instant, I wrote to the P. and O. Steamship Company on the 12th idem to secure passages for my family and myself on their steamer of the 15th proximo from Madras to Southampton, and, considering the way in which the number of persons taking passages from the Company had recently fallen off, I did not anticipate any difficulty in getting them, and so resigned charge of my late office on the afternoon of the 16th instant to avail myself of the usual preparatory leave. On arrival here, however, on the 25th idem, I received a letter from the Company's Agent to the effect that he found himself unable to give me any accommodation by that steamer, and so had registered my application for the next, namely, that due here on the 29th proximo. I am not aware of there being any intermediate steamer, except one belonging to the same Company from Bombay, and think I am right in presuming it would be impossible to obtain passages by it so late as this; and, in any case, I would shrink from exposing my family and self to the long journey to Bombay at this time of the year.

In these circumstances, I do myself the honour to request, under Subsidiary Rule II., Section 11., Covenanted Civil Service Leave Code, you will solicit His Excellency in Council to extend my preparatory leave by so many days over the usual month as may be necessary to enable me to reach Bombay by the steamer from Madras after that of the 15th proximo.

No. 437. ORDER THEREON, 23th March 1871, No. 569.

Miscellaneous.

SANCTIONED as requested and communicated to the Accountant-General.

2. The case will be reported to the Supreme Government as usual for confirmation.
