

*Proceedings of the Madras Government, Revenue Department,
31st March 1871.*

No. 495. Read the following Proceedings of the Board of Revenue, dated 27th February 1871, No. 864 :—

Read the following letter from Colonel F. J. B. PRIESTLEY, Superintendent of Revenue Survey, to the Acting Secretary to the Board of Revenue, dated Chepauk, 27th January 1871, No. 218-9.

REFERRING to Proceedings of the Board of Revenue, No. 5,929, of 30th September last, paragraph 2, I have the honour to state that not having a Demarcation Establishment under my orders in the Tinnevelly District, I am unable to undertake the re-demarcation of Adinadhapuram in the Tenkarai Taluq.

2. The lowest offer for the supply of field-stones is, I am informed, Annas 4 and Pies 3 per stone on the spot; if tenders for these stones were publicly invited, they might doubtless be obtained for 1 Anna less.

SUBMITTED to Government, with reference to Government Order, dated 9th September 1870, No. 1,433, Revenue Department.

No. 496. ORDER THEREON, 31st March 1871, No. 598.

Land Revenue

THE inquiry of Government did not relate to Adinadhapuram, the re-demarcation of which appears to have been completed, but, under the circumstances stated by Colonel Priestley, it is evident that he cannot undertake re-demarcation in Tinnevelly. The Government trust that the work is not necessary to any extent for Survey purposes.
