declaring provisions of Canals and
Ferry Act No. I. of 1870 applicable
to ferries in ^{Trichinopoly} District together
with a Table of fees payable for
conveyance of passengers, goods &c.
across these ferries.

M. C. 22nd October 1870.

Are these ferries known
in existence & worked
by govt. or are they
to be established - are
they the least what?
The Act is not a very
clear one. -

Ordered that the
draft notification forwarded
be sent to the Board for
the next time issued
published in the Fort S. &c.

With reference to the
Honble Mr. Lins' note on the
accompanying draft it is
observed that before the
introduction of Act No. 1
of 1870, the exclusive levy
of ferry fees by the Govt.
was not positively authorized
by any legislative enactment.
although the Board sometimes
entertained the idea that
these fees could be levied under
Act VIII of 1851 which only
relates to tolls on roads and
bridges. 35-4

2. Therefore, whether the
ferry

ferry is old or newly
constituted, the application
of the act appears to be
equally necessary.

From the Board's
Official Memo. dated 12th Nov^r
1870 No. 1364, it appears
that the ferries before referred
to by them are in the
Trichinopoly district (not in
Tanjore, as had been erroneously
stated) that they have all
been in existence since 1867,
and that it is proposed
to continue to lease them.

4. In their H^g Secy's
letters, dated respectively 8th
and 17th Nov^r 1870, the
Board make similar ap-
plications with regard to

Do the Ferries come
within the scope of
the Act - v. Section 13 & 14?

the Kurnool, and Tanjore
districts. 37

5. The districts there-
fore now awaiting orders are
Trichinopoly, Kurnool & Tanjore.

6. The notifications
submitted by the Board
are framed under Sections 2
and 14 of the Act. They
merely comprise a declaration
that the Act is extended to
the district specified, and a
table of fees to be levied. 37-3

7. The Act, however, as
requires the direct action of
Government with regard to
other sections than those
referred to by the Board
before its machinery can
be brought into play. Section 7

7 vests the Govt with the power of appointing either the collector or the lessee of tolls and license fees under the Act. Section 13 empowers the Government to establish new ferries (but does not mention the rates of fees to be levied) and to "license" or "maintain" boats for such ferries. Section 15 empowers the Government to appoint persons to take charge of and manage the ferries and ferry boats and to lease out the right of collecting tolls combined with the obligation of maintaining the ferries. Section 17 empowers the Govt to require security from the lessee for the proper maintenance of the ferry and to satisfy themselves

Sec. 7. apparently was intended to refer to tolls & license fees on boats plying on navigable channels only. Its wording is general.

Sec. 13. also empowers to exclude other Ferry boats within limits.

Sec. 14. gives power to fix rates of ferry fees.

Sec. 15: gives similar powers ^{to Sec. 7} regard to Ferries expressly.

Sec 7 to 12 seem to be a whole & chiefly to navigable channels & boats on them.

Sec 13. to 20 excluding to ferries. The other sections to tolls.

themselves through the ³⁹⁻¹ Collector of the dues in performance of his engagement by the ³⁹⁻² lessee.

8. But Section 31 enables the Government to delegate ³⁹⁻³ any of the powers conferred by the sections referred to in the preceding para to ³⁹⁻⁴ "any Officer specially

authorised

7. authorised in
"that behalf."

9. The Act
is very strict if
not contradictory,
but with reference
to the prerogatives
for which the direct
sanction of Government
is required, as opposed
to those which may
under the authorisation
of Govt. be exercised by
the

The Govt. must apply the
Act (Sec. 2) to the rates of tolls
& close existing ferries
if necessary (Sec. 20.)
They may make rules (Sec. 21)
and delegate certain powers
(Sec. 31)

41-1
The Board or Collector to
the following appears to
be its intention. The officer
to whom the requisite au-
thority is delegated under
Section 31 may select the
sites of ferries and may,
after they have been esta-
blished, lease them out
or determine by whom the
tolls are to be collected.

41-2
But the Government must
directly and in each in-
stance determine the
rate of tolls to be
levied, and until this
is done, no tolls can be
levied under the Act.

41-3
41-4
10. It is therefore
submitted

submitted that the atten-
tion of the Board may
be called to Sections 7, 13,
15, 17 and 31 of the Act
and that they may be re-
quested after consulting
the Collectors to state in
each case to whom the au-
thority conferred by the first
four Sections should be
delegated - whether to the
Collector, Sub Collector,
or to themselves. The Act
necessitates the delegation
of the authority to an "of-
ficer", and the Board's
Secretary might therefore
be nominated as their
organ -

In

I think, as there
is an objection that
we may at once
1. apply the Act.
2. fix the tolls.
3. Delegate the powers
under Section 13, 15
& 17 to the (des.)
and

request the Govt to
report as to the rules
if any, necessary
under Sect 22 &
29.

11. In the meantime the
tables of fees submitted by
the Board for the districts
of Trichinopoly, Tirunelveli
and Tanjore might be sanc-
tioned in order to avoid
delay.
