*Proceedings of the Madras Government, Revenue Department,
10th January 1871.*

No. 134. Read the following letter from the Conservator of Forests, to the Secretary to Government, Revenue Department, Fort Saint George, dated Ootacamund, 24th December 1870, No. 2,501 :—

I HAVE the honour to request that Mr. Cherry may be promoted to the 2nd-class grade of Assistant from the date of his transfer to South Canara. He has been one year and six months in the department, and has passed in the language of his district. In Bengal all the Assistants who enter as 3rd-class on a salary of 200 Rs. are promoted to 2nd-class with a salary of 300 after one year's service, if they have passed in the language. It is hardly fair upon the young men entering the department in our Presidency that they should not be able to obtain their promotion, because our re-organization is so long delayed; and I would suggest that the permission of the Supreme Government should be asked for temporary sanction to this rule, pending the re-organization. Our young officers are scarcely able to live upon the 200 Rs., and it must be borne in mind that when the salary of 200 Rs. for the 3rd-class grade was first proposed, it was in addition to Military pay, all our young officers being at that time drawn from the Army.

No. 135. ORDER THEREON, 10th January 1871, No. 65.

Forests, No. 10.

In consideration of the extent of the charge and of the precedent created in Mr. Cadell's case, the Government sanction Mr. Cherry's promotion to the 2nd-class of Assistant Conservator of Forests. They assume that the Budget grant is sufficient for the additional charge.
