Proceedings of the Madras Government, Revenue Department,
13th April 1871.

No. 133. Read the following endorsement of the Secretary to Government,
Public Works Department, dated Fort Saint George, 5th April 1871 :—

Read the following letter from Major J. F. FISCHER, R.E., Acting Superintending
Engineer, 1st Division, to the Secretary to Government, Department
Public Works, dated Dowlaishweram, 31st March 1871, No. 4,227.

WITH reference to G. O. of the 27th instant, No. 157, I have the honour to
report, for the information of Government, that I have lately walked over nearly
the whole distance of the road from Chittivalsa to Vizianagaram and also from the
former place to Bimlipatam, and I consider Rs. 100 a mile insufficient for the
maintenance of such a line of traffic. I do not wish to exonerate the Range
Officer from blame entirely, and I have already proposed to put another officer
in charge, with whom I hope to be able to get this important line of road thoroughly
repaired and in good working order; but I beg to deprecate the Collector and his
subordinates making general charges against this department, and never affording
any assistance to it, as the Calendar of the trial of Local Fund Overseer
Pudmanabhaswamy will clearly show. This man after being found guilty of illegal
practices with public funds, and of having deliberately perpetrated these for his
own purposes, was released, and the charge against him dismissed, so that he remains
in the department.

TRANSFERRED to the Revenue Department, with reference to the orders in that
department, dated 21st March 1871, No. 512.
