[Despatch Abstract.]

Proceedings of the Madras Government, Political Department,
4th September 1871.

No. 3. Read the following letter from the Collector of Tinnevelly, to the Chief Secretary to Government, Fort St. George, dated Tinnevelly, 26th August 1871, No. 362:—

In reply to Government Proceedings, No. 240, dated August 1871, I have the honour to inform you that the boundary south of Mahendragiri as far as the Arambuli Pass, as determined by Sir Madava Row and myself, was substantially demarked in 1868. All that need now be done is to survey according to this demarcation, which the Deputy Superintendent of Revenue Survey has been requested to do.

2. The tract south of the Arambuli Pass claimed by Travancore, but now ceded, was demarked and surveyed years ago as part of the British village of Karungulam, and there is, therefore, nothing further to do there.

3. I have informed the Resident at Travancore that there is no need to depute an officer to erect boundary marks, as all needed have been erected.

No. 4. ORDER THEREON, 4th September 1871, No. 270.
