No. 172. From the Acting Director of Revenue Settlement, to the Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 23rd March 1871, No. 591-18.

THE Board of Revenue being unable to pass the travelling allowance of the Uncovenanted Assistant in the Kistna Party, now on duty at the Central Office, I have the honour to request, for the reasons hereafter assigned, that, should the Government think proper, the travelling allowance, in addition to the usual daily batta, may be passed in this instance.

2. After due consideration, I found that, pending the orders of Government upon the Gunttoor Report, the services of Lukshmikanta Row would be more useful to the Settlement Department if he were employed in the Central Office during the period in question, and I accordingly requested him to come to Madras. It may seem strange but in an office like the Director's, where the services of one or two of the best Native Revenue-officers that could be procured are essentially necessary, there is no one of the kind, the four highest posts being filled by employes who are not Natives; and although this answers well enough as regards the Manager, it is very necessary that the Director should have some one corresponding to the Collector's Huzur Sheristadar to aid in the settlement details and accompany him on tours. By sending for Lukshmikanta Row, I was enabled to supply this want, and his intimate knowledge of all connected with the north has been particularly useful to me, whose service has been mainly passed in the south.

3. Lukshmikanta Row has accompanied me twice to Coimbatore, twice to Salem, and once to Cuddapah, besides making several trips with me into the Madras district; and as I can safely say he has done good work since he joined this office, I trust the Government may be pleased to permit him to receive the travelling allowance which would have been drawn by one of the employes in my own office had not Lukshmikanta Row been at hand to go with me, and likewise the usual batta to which he is entitled when absent from his head-quarters, as the present rules of the department do not permit of both being received by an Uncovenanted Assistant in one of the deputies' parties. I may finally add that, although Lukshmikanta Row at present does the duties of a Sheristadar in this office, he still maintains the control and management of the necessary work now being carried on in Gunttoor.

REFERRED to the Acting Accountant-General for his remarks.

R. W. Lodwick Esq.

Secretary to Govt.

Revenue Department. 77

Sir,

The Board of Revenue being
unwilling to grant the travelling allowance
of the undersigned Assistant in the
District party, now on duty at the
Central office, I have the honor to
request for the reasons hereafter assigned
that should the Government think proper
that the travelling allowance in addition
to the usual daily batta may be
granted in this instance.

After due consideration I
found that pending the orders of Government
upon the similar report, the services
of Lukshinikanta Rao would
be more useful to the Settlement
Department if he were employed in
the Central office during the period in
question, and I accordingly requested him
to come to Madras. It may seem strange
but in an office like the Director's

Chandrasekhar Rao

where the services of one or two of the best
Native Revenue officers that could be
procured, are essentially necessary, as
there is no one of the kind; the posts are
highest posts being filled by Europeans
who are not natives; and although their
numbers are well enough as regards
the managers, it is very necessary that
the Director should have some one
corresponding to the Collector's duties
Sheristadar to aid in the settlement
details and accompany him on tours.
By sending for Lukhumi Kanta Row
I was enabled to supply this want, and
his intimate knowledge of all connected
with the North has been particularly
useful to me, whose service has been
mainly based in the South.

Lukhumi Kanta Row has
accompanied me twice to Coimbatore,
twice to Salem and once to Cuddalore,
besides making several trips into the
interior of the Madras District; and as I can
safely say he has done good work since
he joined this office, I trust the Govern-
ment may be pleased to permit him
to receive the travelling allowance which
would have been drawn by one of the
European employees in my own office had not
Lukhumi Kanta Row been at hand
to go with me; and likewise the usual
batta to which he is entitled when ab-
sent from his head quarters, as the pre-
sent rules of the Department do not
permit of both being received by an
unconventional Assistant in one

of the Deputy's parties. I may finally
add that although Lukhumi Kanta Row
at present does the duties of a Sheristadar
in this office, he still maintains
the control & management of the revenue
work now being carried on in
Suntar.

I have the honour to be
Sir

Read the following letter from A. MACGREGOR, Esq., Collector of Malabar, to the Acting Secretary to the Board of Revenue, dated Calicut, 2nd February 1871, No. 24.

WITH reference to paragraph 11 of my last report* on the operations of the Escheat Department during the past official year, I have the honour to state that on the expiration of the sanction

- work in the Escheat Settlement Department.
2. The annual charge on account of this establishment will amount to Rs. 1,320, and I beg the Board's sanction for its entertainment from 1st proximo.
 3. The Deputy-Collector is of opinion that the establishment should be continued at nearly its full strength, but having reference to the strong wish expressed by Government for the discontinuance of the establishment, I propose to assign the work remaining to the Tahsildars.

- SUBMITTED for the orders of Government.
2. The present Escheat Establishment, costing Rs. 296 a-month, was sanctioned for twelve months, expiring on the 28th February 1871, in Government Order, dated 13th May 1870, No. 698.
 3. The Deputy-Collector wishes the whole establishment, or most of it, to be retained, but the Collector proposes, in accordance with the wishes of Government, to reduce it to two Inspectors and a Clerk, costing altogether Rs. 90 a-month, and to assign the details of the work to the Tahsildars.
 4. The Collector will report briefly on the amount and character of the work that remains to be performed, and on the time during which the reduced establishment will be required.

No. 175. ORDER THEREON, 17th April 1871, No. 688.

Land Revenue.	SANCTION is granted for the reduced establishment at the monthly cost of Rs. 90 from 1st March 1871. The period for which the establishment is required is not specified, but the Government presume, from paragraph 2 of the Collector's letter, that it is proposed to retain it for twelve months. The Board will, however, request Mr. Macgregor to furnish clear information on the subject.
