SIR,—Referring to Section 22 of the Income-tax Act XII. of 1871, I am directed by this Government to request

that they may be authorized to notify that, for the purposes of the Act, the income derived from temporarily assessed lands in this Presidency is to be assumed in all cases at an amount equal to the land-assessment. In support of this proposal, I am directed to request a reference to the Proceedings of this Government, dated 1st December 1870, No. 1,894, of this department, forwarded to the Supreme Government with my letter of the same date, to the arguments contained in which this Government only desire to add that the fall in prices is continuous up to the present time.

2. The same rule would apply to minor Inams, the land-assessment value of which would be estimated according to the prevailing rates on Malguzari land of the same description in the immediate vicinity; but in the cases of Inam and Shrotriem villages and of permanently assessed estates, the ordinary procedure under the Act would be adopted.

I have the honour to be,

Sir,

Your most obedient servant.
