PROCEEDINGS OF THE BOARD OF REVENUE, dated 31st May 1871.

- Read the following letter from G. BANBURY, Esq., Acting Director of Revenue Settlement, to the Acting Secretary to the Board of Revenue, dated Madras, 10th May 1871, No. 929-29:—

I HAVE the honour to forward, for transmission to Government, the following return showing the result of the new settlement for last Fusly as compared with the previous Revenue year in the Godavery District. This information was required by Government in paragraph 6 of their orders dated March 8th, 1871, No. 418.

Fusly.	Extent.	Assessment.	Water-rate including 2nd crop assessment.	Total.	Remarks.
	ACRES.	RS.	RS.	RS.	
1278	6,60,993	13,65,448	8,18,751	21,84,199	As per Jummahbundy Statement No. 3.
1279	7,01,055	14,23,974	9,32,658	23,56,632	
Increase...	40,062	58,526	1,13,907	1,72,433	

2. It will be seen that the last Revenue year exhibits an increase of 40,062 Acres and 1,72,433 Rupees over that of its predecessor; thanks to a favourable season, and the fact of prices ruling higher than the commutation rate. It is also well to notice the revenue results of last Fusly when compared with those of the year preceding and the years succeeding the introduction of the settlement. The increase as shown below in favour of last Fusly must be taken as a demonstration that the new settlement rates are fairly affixed and moderate in their total incidence.

Fuslies.	Extent.	Assessment including 2nd crop assessment and water-rate.	Remarks.
	ACRES.	RS.	
1271	5,64,002	20,54,721	Previous to any new settlement being introduced.
1272	5,67,375	20,95,106	New settlement came into force in Western Delta.
1273	5,80,846	21,74,267	
1274	5,73,559	22,49,187	
1275	5,89,697	26,22,277	
1276	6,05,970	20,70,057	New settlement this year carried out in Eastern and Central Deltas.
1277	6,69,340	21,95,870	
1278	6,60,993	21,84,199	
1279	7,01,055	23,56,632	

3. I must remark that the foregoing figures represent the actual final settlement or "Jummahbundy Beriz" of each year, excluding "waste remitted," "withered crops," and other alleviations; whereas the figures in the Director's annual reports represent the "Amarakam" or demand previous to the annual settlement, as his reports were despatched previous to the Jummahbundy Beriz being finally made up.
