*Proceedings of the Madras Government, Revenue Department,
11th January 1871.*

Read the following letters :—

No. 158. From Colonel F. J. B. PRIESTLEY, Superintendent of Revenue Survey, to the Secretary to Government, Revenue Department, dated Chepauk, 13th September 1870, No. 2,331-60.

In their Proceedings of the 10th ultimo, No. 1,225, the Government have given orders regarding the description of survey to be carried on in the Wynaad Taluq.

2. The Accountant-General, to whom a reference has been made, states in reply that the above quoted order does not authorize pay and allowances according to the proposed scale.

3. I have the honour, therefore, to request that the Government will be pleased to accord sanction to the officer and establishment specified in my letter No. 1,072-32 of the 22nd May 1869. being paid according to the scale therein set down.

No. 159. From Colonel F. J. B. PRIESTLEY, Superintendent of Revenue Survey, to the Secretary to Government, Revenue Department, dated Ootacamund, 24th September 1870, No. 2,393-65.

In reply to your official memorandum of the 19th instant, No. 153, I have the honour to state that as the detachment will be employed in the Wynaad Taluq only from October to February, the cost for the working season will as estimated be Rs. 30,020. From this sum, however, must be deducted the present pay of the establishment. The excess, about Rs. 2,700 per mensem, or Rs. 16,200 for six months, represents the *maximum* additional expenditure to be incurred, as the full sanctioned pay will not, in the first instance, be given.

2. No separate provision has been made in the Budget-estimate for 1870-71 under the orders of Government as per G. O., No. 1,369, of 21st June 1862. margin ; it would be disallowed as an unsanctioned charge. It can, however, be met out of the funds provided in the Budget for 1870-71.

3. I take this opportunity of soliciting sanction the advance of Rs. 5,000, applied for in paragraph 11 of enclosure No. 1 to my letter, No. 1,072-32, of the 22nd May 1869, given in the Proceedings of Government of the 10th August 1870, No. 1,225.

4. The tents required I purpose purchasing and charging the cost in a Contingent Bill.

Can you expedite the
