

Proceedings of the Madras Government, Revenue Department,

6th May 1871.

will take the necessary precautions to ensure that the land is brought under full assessment on the death of the Inamdar.

(True Extract.)

(Signed) D. F. CARMICHAEL,
Acting Secretary to Government.

I assume that the Inam in question is of such a nature as to come within the scope of Regulation IV of 1831 & Acts XXXI of 1836 & XLIII of 1838 of the Madras Code. If so, not having been enfranchised, Act IV of 1832 does not affect it & by the former Acts it is not liable to the process of the Civil Courts neither can they entertain any suit relating to it without the sanction of Government. If therefore the full assessment is levied from the purchaser, he has no option but to pay it, for if he does not, payment may be enforced by attachment & sale under Act II of 1864 & if he brings a suit he is met by the double defence ^{that} the Courts are prohibited by Section 2 Regulation IV of 1831 from entertaining any claim for the recovery of or compensation of an Inam & that the question is one of Land Revenue. Hencefore by Section 58 of Act II of 1864 not Cognizable by the Courts.

3. I do not however quite understand the reason either for taking the course proposed
