Read the following Proceedings of the Madras Government, dated 5th April 1871, No. 652, Revenue Department :—

ABSTRACT.—Referring to Board a letter from the Superintending Engineer, 2nd Division, and desiring that provision may be made for maintenance of avenues along roads hitherto classed as Imperial.

COMMUNICATED to the Officiating Collector of the Kistna District and the Collector of Nellore, who are requested to ascertain and report the amounts that will be required for the maintenance of avenues on Imperial roads during the current year, and point out the Road Fund source from which they can be allotted.

2. Pending the sanction of a specific allotment the Superintending Engineer is authorized to expend a small sum in maintaining the avenues out of the general funds at his disposal.

3. The Board observe that Government in their Order of the 16th July 1870, No. 1,096, ruled that the cost of avenues should not be charged to the Jungle Conservancy Fund, but in the order under reference Government suggest a provision being made from this fund on account of avenues, thereby relaxing their original ruling. The Board solicit further instructions on this point. It appears to them that in the case of many districts the cost of avenues can best be met from the Jungle Conservancy Fund.

No. 83. ORDER THEREON, 8th May 1871, No. 800.

Miscellaneous.

THE Order of Government, dated 5th April 1871, No. 652, is not intended to supersede that dated 16th July 1870,

No. 1,096. The appropriation of a portion of the Jungle Conservancy Fund "to prevent loss of expenditure already made on avenues along roads hitherto classed as Imperial," where other sources are not available, will not be objected to.
