Proceedings of the Madras Government, Revenue Department, 10th May 1871.

No. 116. Read the following letter from the Government Pleader, Madras, to the Acting Secretary to Government, Revenue Department, dated Madras, 28th April 1871, No. 62 :—

WITH reference to the Proceedings of Government noted in the margin, I have the honour to report that the judgment of the High Court in the Marangapoory Polliem case (R. A. No. 129 of 1869) was delivered on the 26th instant. I have applied for a copy, but as it is of considerable length, it may be some time before I can obtain one ; and, in the meantime, I may state, for the information of Government, that the judgment was against the plea set up by Government, the Court holding that the estate in question was an hereditary ancestral estate, the succession to which was properly a question within the jurisdiction of the Courts, and that the issue must, therefore, be tried whether the present occupant or the appellant is the legal heir of the late Poligar and entitled to hold the estate. The appellant to declare within three weeks whether she abandoned that issue or wished it to be tried.
