*Proceedings of the Madras Government, Revenue Department,
12th January 1871.*

No. 169. Read the following Proceedings of the Board of Revenue, dated 15th December 1870, No. 7,145:—

Read the following letter from the Officiating Collector of the Kistna District, to the Acting Secretary to the Board of Revenue, dated Tumkurkota, 16th November 1870, No. 4,908.

I HAVE the honour to request the sanction of the Board for the following extent of lands required for building purposes and digging charitable tanks in villages of the Palnad Taluq, which I am now settling for Fasli 1280.

A. *Morjumpadu Village*.—Forty-five ryots of the Venkatagherry Zemindari in Nellore District came to this village with their families in Fasli 1276, and took up lands for cultivation assessed at Rs. 262. As they have no houses to live in, some of them were obliged to build houses on Inam lands lately relinquished by Curnums and Vetties and incorporated with Government land. These lands

comprise two demarcated numbers 362 and 389, acres 5.17 in extent, assessed at Rs. 5-15-8. The extent already occupied for building purposes is acres 3, assessed at Rs. 3-7-6; and the remainder

also will be required by the other ryots. Nos. 362 and 389 have been waste and unoccupied from the date of relinquishment. As the village site has already been thinly populated, it is necessary that these two numbers should be added to it.

B. *Gogulapad Village*.—Bavesetty Ramaya excavated a charitable tank about twenty years ago for the use of the travellers and cattle, and planted trees on tank bund. The area occupied by the tank

and its water-spread is acres 9.47* as entered in the accounts under the head “Vidudala Banjor” (relinquished waste).

Sanction of the Board is requested for

deducting this land from the Aiyen, and adding it to the head of “Porumboke” (now arable waste).

C. *Kachaveram Village*.—A ryot named Yennum Koterreddy applied for permission to excavate a charitable tank in relinquished waste land No. 303, extent acres 5.57, assessed at Rs. 7-7-1; on

inquiry it appeared that the proposed tank would be very useful for travellers proceeding from Dachapally to Karunpudy, and also for the people and cattle of Kachaveram village; I request the Board will be pleased to sanction the assignment of the required waste land for this purpose.

THE Board sanction the assignment of acres 5.17, assessed at Rs. 8-15-8, as village site in Morjumpad.

2. The sanction of Government is solicited for the transfer to “Poramboke” of acres 15.04 required for two tanks for drinking purposes.
