

*Proceedings of the Madras Government, Revenue Department,
13th May 1871.*

No. 168. Read the following Proceedings of the Board of Revenue, dated 28th April 1871, No. 1,801 :—

Read the following letter from the Acting Collector of Chingleput, to the Acting Secretary to the Board of Revenue, dated Sydapet, 29th March 1871, No. 124.

I HAVE the honour to forward for the sanction of Government two estimates, amounting to Rs. 10,600, for the works noted in the margin which appear as Items Nos. 14 and 21 in the statement which accompanied my letter of the 20th instant, No. 104.

1. Deepening channels at Vallur	RS. 8,000
2. Clearing channels at Vichur	2,600
Total...	10,600

2. The Deputy-Collector in charge of the Salt Department having reported that the channels in question required to be cleared and deepened forthwith for the purposes of navigation and the manufacture of salt, I sanctioned the execution of the works from the provision, in the current year's budget, for deepening salt-channels, and the works are now nearly completed.

3. I sanctioned, besides, the raising on emergency of two dams at Kattur and Voyalur, at a cost of Rs. 457, in addition to two others* already in progress, as they were stated to be required to protect the pans at those stations from being inundated by the backwater flowing through the Karungali bar which was opened last season.

* Throwing dams across the channels at Kattur, Board's Proceedings, 31st January 1871, No. 476	RS. 1,220
Throwing dams across the channels at Voyalur, Government Order, Revenue Department, 20th Feb. 1871, No. 316	2,800

4. The cost of these works was met chiefly from the savings effected on the works entered in the margin of paragraph 3, and there still remains a sum of Rs. 47-8-0 to be sanctioned, which I request may now be done.

Vide Item No. 23 in the statement sent with Collector's letter, No. 104, dated 20th instant.

5. The plans and estimates for these works will be submitted as soon as they are received from the Salt Deputy-Collector.

6. I also request sanction for a sum of Rs. 28, † being the cost of repairing four wooden bridges at Kattur. As the cost of this work is very small, being only 7 Rs. per bridge, no estimate is submitted.

† *Vide* Item No. 22 of the above statement.

ENCLOSURES Nos. 1 to 4.—Estimates.

ENCLOSURES Nos. 5 and 6.—Sketches.

Deepening channels at Vallur...	RS. 8,000
Clearing channels at Vichur ...	2,600
Total...	10,600

THE estimates for the works noted in the margin will be submitted for the sanction of Government.

2. The works are now in progress, and have been provided for in the List of Petty Construction and Repairs for the past and present years.
