Proceedings of the Madras Government, Revenue Department,
13th May 1871.

No. 180. Read the following Proceedings of the Board of Revenue, dated 28th April 1871, No. 1,799 :—

Read the following letter from the Acting Collector of Trichinopoly, to the Acting Secretary to the Board of Revenue, dated 14th April 1871, No. 97.

WITH reference to the Notification of the Government of India as per margin, Financial Department, Pension and Gratuities, dated 20th January 1871, No. 423, published at page 179 of the *Fort Saint George Gazette* of the 31st January 1871. declaring that, as a general rule, no person should be admitted into the Uncovenanted Service after he has attained the age of 25 years, and also to

the Circular from the Accountant-General, copy of which is enclosed, declaring his intention of disallowing salary drawn for persons entertained after the age of 25 years, I have the honour to solicit sanction for the disbursement of the

salaries of the individuals named in the margin.
2. Both these men were appointed by Mr. Cadell to act in vacancies from the 1st November 1870, and having given satisfaction, they were confirmed by me from the 1st of February and 1st of March respectively. They have both passed the General Test Examination, and have had previous experience—one was previously in Government employ from 1st August 1861 to 3rd July 1869, when he was permitted to resign an Inspectorship of Police for which he was not suited, bringing with him a good character; the other was introduced from the Trichinopoly Municipal Office.

3. I think, under the above circumstances, these individuals are entitled to the favourable consideration of Government.

ENCLOSURE No. 1.—Copy of Circular of Accountant-General, dated 3rd March 1871, No. 57.

SUBMITTED for the favourable consideration of Government.

No. 181. ORDER THEREON, 13th May 1871, No. 848.

Miscellaneous.

THIS is a very unnecessary reference. Neither in the orders of the Government of India nor in the Circular of the Accountant-General is there any expression which can possibly be held to show that the ruling has a retrospective character.

2. Both these men, it is observed, were appointed in November 1870, while the date of the Notification is 20th January last.
