PROCEEDINGS OF THE BOARD OF REVENUE, dated 7th March 1871.

Read the following Official Memorandum from G. LEE-MORRIS, Esq., Acting 2nd Member of the Board of Revenue, in charge of the Inam Department, to the Acting Secretary to the Board of Revenue, dated Madras, 15th February 1871, No. 5:—

THE Acting Second Member in charge of the Inam Department has the honour, with reference to paragraph 10 of the Order of Government, dated 6th January 1871, No. 21, on the subject of the Kuttubadi Inams of North Arcot, to explain, that the old Jodi on these Inams, calculated at a certain proportion of the old assessment, was reduced with reference to the revised assessment. The old Jodi varied with each year's cultivation, but the reduced Jodi was apportioned on the whole extent and made permanently payable. The difference between the reduced Jodi and the revised assessment constituted the net value of the Inam, and half of this net value became the additional quit-rent exhibited in paragraph 5 of the Order of Government, and is the quit-rent of enfranchisement. This is the case in the Government talooks.

2. In the Zemindaries, the existing Jodi could not for obvious reasons be reduced, and it was therefore adopted at the rates in force on the old assessment, the difference between it and the revised assessment being taken to represent the net value of the Inam, and half of it the quit-rent of enfranchisement. This new quit-rent less 10 per cent. for charges of collection will, for administrative convenience, be added to peshcush of the Zemindaries concerned and allowed to be collected by the proprietors.

SUBMITTED to Government with reference to Government Order, 6th January 1871, No. 21.

2. The Board have accepted Mr. Robinson's opinion that it would be impolitic to undertake any general revision of the Village establishments of North Arcot at present.

3. It was clearly the intention of Government in 1853, that when the Kattubadi Inamdars were freed from service their Inams should be regarded as life-grants, and they should therefore now be enfranchised on a quit-rent of one half the assessment (or the difference between the present Jodi and the full assessment).

4. According to the statement submitted by the Inam Commissioner "the quit-rent calculated upon the revised rates of assessment in lieu of the old Jodi" is the revised Jodi *plus* the additional quit-rent.

5. The assets available for improving the village service supposing the Inams are enfranchised will therefore be Rupees 7,885 in Government talooks and Rupees 13,734 in Zemindaries.

6. This should be applied, as Mr. Robinson has proposed, to strengthen the Toti and Taliari establishments in those parts of the Government talooks and the Zemindaries where the Kattubadi Police disappears.
