*Proceedings of the Madras Government, Revenue Department,
19th May 1871.*

No. 255. Read the following endorsement of the Controller of Public Works Accounts, for Secretary, British Burmah, (Public Works Department—Forests,) to the Secretary to the Government of Fort Saint George, Revenue Department, dated Rangoon, 19th April 1871, No. 42-8 F:—

Copy of the following letter from the Conservator of Forests, British Burmah, is forwarded with reference to Mr. Hudleston's letter, No. 394, dated 4th ultimo.

(By order,)

(Signed) T. MOSS,
*Controller of Public Works Accounts,
British Burmah, for Secretary.*

From the Conservator of Forests, British Burmah, to the Secretary to the Chief Commissioner, British Burmah, Public Works Department, dated Rangoon, 17th April 1871, No. 42-4 C.

With reference to Proceedings No. 8 of 12th instant, and letter No. 394 of 4th March 1871, from Secretary to Government, Fort Saint George, requesting to be supplied with seed of the *Bambusa Gigantea*, I have the honour to state that arrangements were made by me some time ago for procuring seed of this bamboo from the hills in the vicinity of Toungoo, the Conservator of Forests, Madras, having already written demi-officially on the subject; but it is only recently that shortly.

2. I would, however, propose that besides the seed a case of seedlings be also sent to insure successful results.

No. 256. ORDER THEREON, 19th May 1871, No. 883.

Forests, No. 16.

COMMUNICATED to the Conservator of Forests, with reference to G. O., 4th March 1871, No. 393.

Dated Rangoon 17th April 1871.

Sir,

With reference to Pro. No. 8 of
12th instant and letter No. 394 of 4th
March 1871. from Secretary to Government
Port

Fort St. George requesting to be supplied
with seed of the "Bambusa gigantea"
I have the honor to state that ar-
rangements were made by me some
time ago for procuring seed of this
bamboo from the hills in the vicinity
of Soungoo, the Conservator of Forests
Madras having already written semi-
officially on the subject, but it is
only recently that this variety has
flowered which will admit of my
sending a supply of seed very shortly.

I would however propose
that beside the seed a case of seedlings
be also sent to insure successful results.

I have the honor
