---

Read the following papers:—

No. 306. From the Conservator of Forests, to the Acting Secretary to Government, Revenue Department, Fort Saint George, dated Ootacamund, 2nd May 1871, No. 149.

ON Mr. Morgan's being obliged to leave the Kurnool Range on sick leave, Mr. Brougham, the Overseer in charge of the Bellary plantations, was placed in temporary charge; I have the honour to request the sanction of Government for his being allowed to draw a moiety of the salary and the travelling allowance attached to the appointment until he is relieved by Mr. Boileau, the officer now nominated to the range.

REFERRED to the Acting Accountant-General for report.

8th May 1871.

No. 307. From the Acting Accountant-General, Madras, to the Acting Secretary to Government, Revenue Department, Fort Saint George, dated 11th May 1871, No. 44.

I HAVE the honour, with reference to endorsement on letter from the Conservator of Forests, No. 149, dated 2nd instant, to state that if Mr. Brougham be appointed by Government to act as Assistant Conservator of Forests for Mr. Morgan, the former, who holds a permanent post as Overseer, would, under the rules, be entitled to a deputation allowance of Rs. 60 per mensem, being 20 per cent. on the average pay of the several classes of Assistant Conservators of Forests, together with the fixed travelling allowance of Rs. 60 per mensem.

2. To grant the allowances asked for in Mr. Brougham's case would apparently cause extra expense to Government, since Mr. Boileau, who, on 6th April last, was appointed an Acting Assistant Conservator of Forests, and who, it appears from the Conservator's letter is to take charge of the range, has already, under a certificate from the Conservator's Office, drawn acting allowance from 17th April 1871.

No. 308. ORDER THEREON, 23rd May 1871, No. 903.

Forests, No. 18.

ORDERED that a copy of the Officiating Accountant-General's letter be furnished to the Conservator of Forests for his information.
