No. 340. Read the following letter from the Second Member in charge of the Inam Department, to the Acting Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 6th May 1871, No. 15 :—

THE East Coast Canal has been dug through the Shrotriem village of Tiruvamiyur in the taluq of Sydapet of the Chingleput District now under settlem

2. The total area of the village, including Poramboke, is acres 1,214·7 assessed at Rs. 774, and paying a Jodi of Rs. 527-3-9 annually to Government. The land occupied by the canal is acres 47·39, on which the proportionate assessment is Rs. 105-7-2. The land has been so occupied by the canal works since Fasli 1266 or 15 years, but no compensation for the land, nor remission of assessment, nor reduction of Jodi for the lands so taken up has been made. It is necessary to re-adjust both the latter items in the Title-deed about to be issued.

3. The Collector recommends that the assessment of the land so occupied be remitted and deducted from the permanent Jodi to be paid in future, and as this is equitable, I propose to do so.

4. But refund of the proportionate assessment so fixed is naturally claimed, and the amount of assessment so due since Fasli 1266, and now to be refunded, is Rs. 1,581-11-6.

5. I have the honour to request that this arrangement and refund may be sanctioned.
