*Proceedings of the Madras Government, Revenue Department,
14th January 1871.*

No. 199. Read the following Proceedings of the Board of Revenue, dated 5th January 1871, No. 38 :—

Read the following letter from the Collector of Malabar, to the Acting Secretary to the Board of Revenue, dated Calicut, 2nd November 1870, No. 372.

I HAVE the honour to request that plans and estimates may be called for from the Department Public Works for constructing a Salt Gola at Ponani, similar to the one proposed to be built at Cannanore.

Vide Board's Proceedings, dated 16th September 1870, No. 862, and Government Order, dated 7th September 1870, No. 1,405.

2. The present building, which is a mere shed of bamboos and cocoanut leaves, was constructed in 1864 on the destruction of the old building by fire. It is now in a dilapidated condition, and I am taking steps to have it repaired, in order to secure the salt required for the next season. But the security which the shed affords is by no means good, and it is very necessary that a more permanent building should be erected.

SUBMITTED for the favourable consideration of Government.
