No. 400. Read the following endorsement of the Deputy-Secretary to Government, Military Department, dated Fort Saint George, 23rd January 1871 :—

Read the following letter from the Master Attendant, Administrative Department, to the Secretary to Government, Military Department, Fort Saint George, dated Madras, 19th January 1871, No. 445.

I HAVE the honour to forward, for the consideration and sanction of Government, a bill and vouchers as marginally noted, amounting to Rs. 84, for the passage of Lieutenant-Colonel F. Applegath of the 33rd Regiment N. I. from Bimlipatam to Cocanada and back by the British India Steam Navigation Company's S. Steamer *Scotia* in January 1868. The bill, however, was not submitted by the Agents till September last; it was passed in this department on the 27th October following, and forwarded for final adjustment to the Examiner Pay Department, who transferred it to the Accountant-General for disposal on the 16th November, with reference to the Proceedings of Government, Military Department, No. 326, of date 24th January 1868. The Accountant-General is, however, of opinion that the Proceedings quoted by the Examiner Pay Department do not sanction the passage of Lieutenant-Colonel Applegath from Bimlipatam to Cocanada on the special duty on which he proceeded at the time.

2. In paragraph 4 of his letter to the Revenue Department, recorded in the Proceedings quoted above, Lieutenant-Colonel Applegath inquires whether his expenses in the way of travelling by sea and land will be paid by Government, who, in their order thereon, say that they will be prepared to pass to Lieutenant-Colonel Applegath the amount of his expenses for the proposed journey.

3. The charge is one pertaining to the Revenue Department, but as the Accountant-General is of opinion that Lieutenant-Colonel Applegath's passage to and from Cocanada was not sanctioned by Government in that department, and inasmuch as the passage was really taken by the Deputy-Assistant Quartermaster-General, Northern Division, I beg that the British India Steam Navigation Company's long standing claim may be adjusted as soon as possible. Under the contract with that Company all freight and passage-money is payable monthly on the fifteenth day of each month, and on the production of proper bills, vouchers, and receipts, which, in the case before you, have been already furnished.

TRANSFERRED to the Revenue Department.
