*Proceedings of the Madras Government, Revenue Department,  
30th January 1871.*

No. 402. Read the following endorsement of the Chief Secretary to Government:—

Read the following letter from the Under-Secretary to the Government of India, Financial Department, (Separate Revenue—Stamps,) to the Chief Secretary to Government, Fort Saint George, dated Fort William, 14th January 1871, No. 157:—

In reply to your letter in the Revenue Department, No. 2,038, dated 15th December 1870, I am desired to state that it was not intended in the letter of this department, No. 4,245, dated 18th October 1870, that the use of impressed Stamps for Court Fees should at present be prohibited. It was only intended that, as the new adhesive labels referred to in this department letter of the 14th October 1870, No. 4,209, would eventually become the only authorized Court Fee Stamps, no more impressed Stamps should meantime be procured. No prohibitory order having as yet issued, the Court Fee Impressed Stamps, which may now be in stock, should continue to be employed, pending the receipt of the new labels which have been indented for from the Secretary of State.

2. As, however, there is likely to be some delay in procuring these new labels, it was requested that a report should be made whether, in addition to the impressed Stamps which are at present in stock, and the adhesive labels which have been permitted to be used for Court Fees, the Government of Madras think it advisable to have any other sort of adhesive labels rendered available in the meantime for use as Court Fees.

Copy of the above letter and of the one to which it is a reply forwarded to the other Governments and Administrations for information and guidance.
