1st February 1871.*

No. 11. Read the following letter from the Acting 2nd Member in charge of the Inam Department, to the Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 27th January 1871, No. 7 :—

I HAVE the honour to transmit copy of a letter received from the Collector of Coimbatore, and to request the sanction of Government for the refund of Rs. 40-0-8 under the circumstances stated below.

2. A Title-deed was issued to a Nandavanam Inam, situated in the village of Achegavundanpatti, attached to the Andipatti Palayaput in the taluq of Karur, but it was not delivered to the Inamdar, as his estate was then under the management of the Court of Wards on account of his minority.

3. In the interim a Circular was issued to the Collectors of certain districts to attach the Inams of such individuals as had not received their Title-deeds, and to incorporate them with Aiyar lands, if the default continued for more than a year, with a view of hastening the distribution of the Title-deeds which were then ascertained to remain undistributed in great numbers.

4. The Tahsildar with whom the Title-deed of the Nandavanam in question was in deposit, attached the Nandavanam under a misapprehension of the above Circular.

5. The Palayagar who is the owner of the Inam in question now demands payment of the mesne profits. As his request is reasonable I have the honour to request that sanction may be accorded for the payment to the Palayagar of Andipatti of the mesne profits, amounting to Rs. 40-0-8.

Acting Collector of Coimbatore

To, G. L. Morris Esquire,
Acting 3rd Member of the Board
of Revenue in charge of
the Income Department

Sir,

I have the honor to inform
you that in the year 1866, a Little
Deed was issued for a *Stanclawman*
- *Indan* land situated in the village
of *Arche-gownderputty* attached
to the *Arachyputty* Polyput. The Little
Deed was sent to the *Tasildar* for
delivery to the Trustee of the *Stanclawman*.
The Trustee is the present
Polygar, who being at the time a
minor and under the charge of the
Court of Wards, the Little Deed was
retained in the *Talook* Cutcherry.

2. In his letter of the 11th April
1866, the *Indan* Commissioner directed

that all the Aiams the owners of which had not appeared to receive their Little Seeds should be attached. A notice was accordingly published in the District Gazette on the 21st July 1866. At the time that this was done, it was the Sasilkar's duty to have brought the subject of the Little Seed in question to the Collector's notice and obtained his instructions. But he failed to do so.

2. With other Aiams, the owners of which had not appeared to receive their Little Seeds, that, under notice, was also placed under attachment in accordance with the instructions of the Aiam Commisjoner referred to above, and a portion of the Apeement due on it Rupees 40-4-8 for Fasli's 1277 and 1278 was realized from the Cultivators of the Aiam land and credited to Government, as per Commisjoner's letters dated 12th February 1867 and 26th February 1870 Nos. 118 and 433. On the Polygar's attaining his

his majority, he was placed in possession of his Estate and the Little Seed of the Vandavaram in question delivered to him. The Sasilkar now reports that a demand was made on the Polygar for the balance of the Apeement due on the Aiam for the period during which it was under attachment. This was of course a mistake. The Polygar requests to be relieved from such a demand, and further solicits that the above sum of Rupees 40-4-8, which forms a portion of the Apeement on the Aiam and which has been already realized and credited to Government as stated above, may be refunded to him. For this I request sanction
