*Proceedings of the Madras Government, Revenue Department,
2nd February 1871.*

No. 32. Read the following Proceedings of the Board of Revenue, dated 12th January 1871, No. 170:—

Read the following letters:—

From the Acting Sub-Collector, to the Officiating Collector of the Kistna District, dated Guntur, 26th October 1870, No. 364.

With reference to your letter, dated 21st instant, No. 4,675, I have the honour to forward an Arzee from the Tahsildar of Sattenapalli Taluq, with enclosures.

2. You will see therefrom that one Atmakuri Subbaroydu, an inhabitant of Sattenapalli, applied for acres $1\frac{1}{2}$ of land, forming part of D. No. 5, measuring acres 3, for the construction of a tank situated in the village of Lakkarazugarlapad, in the same taluq. The said number is now unoccupied. The portion applied for is immemorial waste, the remaining portion having been relinquished and not occupied since Fasli 1278.

3. The Department Public Works was asked to ascertain and inform whether there existed any objection to the grant of the land as requested.

4. The Range Officer, in reply, stated that on his inspection of the land in question, he found that there exists no objection to complying with the applicant's request, as the construction of the tank does not at all affect any works of irrigation but would prove useful to the people and cattle.

5. For the foregoing reasons, I request that you will obtain sanction of the Board for assigning the immemorial waste portion of acres 1.50 out of the acres 3 D. No. 5, free of assessment to the applicant, as requested by him.

2. Atmakuri Subbaroydu of Sattenapalli Village is desirous to construct the tank in question at his own cost to remove the inconvenience now experienced by travellers proceeding from Sattenapalli to Chilakalurpad, on account of want of good water for drinking purposes, and also for the benefit of the villagers and their cattle.
