*Proceedings of the Madras Government, Revenue Department,
2nd February 1871.*

No. 34. Read the following Proceedings of the Board of Revenue, dated 5th January 1871, No. 28:—

Read the following letter from the Acting Collector of Ganjam, to the Acting Secretary to the Board of Revenue, dated Chatterpore, 29th November 1870, No. 1,515.

With reference to paragraph 5 of the Board's Proceedings, No. 5,896, of the 28th September last, I have the honour to report that the assessed waste therein referred to has been uncultivated for nearly six years, namely, from Fasli 1275, and that it was formerly assessed at 1 Re. per acre.

2. With regard to Captain Lys's suggestion to make the lands inalienable, I am unable to see how it can be effected, unless they be granted as Inams; and I at no time have suggested that the lands should be so conferred on these individuals.

SUBMITTED to Government, with reference to Government Order, dated 31st October 1870, No. 1,671.

2. The only way in which the Board think the grantees can be protected is by drawing out the Cowles on such terms that if the grants are alienated full assessment shall be chargeable.

No. 35. ORDER THEREON, 2nd February 1871, No. 223.

Miscellaneous.

THE Government sanction the Acting Collector's proposals supported by the Board. The Cowles will be drawn out in the manner suggested by the Board. The expenditure of the grant of Rs. 640 will be entrusted to the Assistant Agent in the hill-tracts for the purposes named.
