Proceedings of the Madras Government, Revenue Department, 24th October 1871.

No. 244. Read the following letter from the Government Quinologist, to the Secretary to Government, Revenue Department, dated Ootacamund, 20th October 1871 :—

In G. O. No. 1,304 of July 26th, 1871, I am authorized to expend what savings I can effect out of the budget-grant, in order to carry out manufacture at Neddivuttum.

2. My expenditure for salaries and current work has amounted to about Rs. (6,760) six thousand seven hundred and sixty at end of September last. In addition to which I have received sanction in G. O., No. 894, for Rs. (2,400) two thousand four hundred, of which about Rs. (460) four hundred and sixty has already been expended in work at Neddivuttum. I have therefore to request sanction for Rs. (4,000) four thousand for present expenditure, which amount, on being granted, I will draw as occasion requires from the treasury at Ootacamund.

No. 245. Order thereon, 24th October 1871, No. 1,841.

Miscellaneous.

The Government do not understand why this special sanction is required.

2. The Government Quinologist is at liberty to expend the sanctioned budget-grant for the year, less the small balance of Rs. 277, which has to be made good by savings in his department to make up the whole sum of Rs. 5,040 reduced by the Supreme Government from the budget-estimate for "Botanical and other gardens," and if the sum now required can be met from the budget-grant, less this Rs. 277, no special sanction is necessary. If it cannot be so met, the Government have no funds at their disposal from which to supplement the grant for the year.
