*Proceedings of the Madras Government, Revenue Department,
24th October 1871.*

No. 250. Read the following Proceedings of the Board of Revenue, dated 20th October 1871 :—

Read the following letter from the Acting Collector of the Chingleput District, to the Acting Secretary to the Board of Revenue, dated Sydapet, 12th October 1871, No. 498 :—

I HAVE the honour to request that the Board will be good enough to obtain the sanction of Government to my taking possession of the under-mentioned small piece of land situated in the Shrotriem village of Aiyanaveram in the Sydapet Talook under the Land Acquisition Act (X. of 1870).

2. The spot in question forms part of the village nattum, and is occupied by the house of one Murugesum, and is required for a road, which the President of the Madras Municipality proposes to have constructed across the delivery channel of the new Water Works which intersects the village, and so afford facility of communication.

3. On a requisition being made by the President of the Municipality last year for this spot and other land in the occupation of Murugesum abovementioned on account of this channel, he was sent for; and when he appeared, disclaimed all right of ownership to the land itself, which he said was Mirassi land, and compensation of Rs. 45 was settled by Mr. Blair and duly agreed to by him, to enable him to remove the materials of the house and build elsewhere.

4. Before the amount could be disbursed one Nainiapah Naicken of the same village, plaintiff in O. S. No. 343 of 1868 on the file of the Munsiff's Court at Poonamallee, obtained an Order of Attachment under Section 237, Act VIII. of 1859, for the amount payable to this Murugesum, defendant in the said suit, and the amount is therefore held in deposit.

5. Murugesum now declines to vacate the house unless the money-compensation is paid to him, or another site out of the cultivable lands of the village in the occupation of the Mirassidars is given him to build on free of rent. The Mirassidars of the village decline to allow this unless he pays them an annual rent or purchases outright; but he declines either alternative, and will further not build on the unoccupied portion of the nattam which the Tahsildar pointed out to him, and it now therefore becomes necessary to resort to the provisions of Act X. of 1870 to compel him to vacate.

6. As the President of the Municipality is anxious to begin operations on the land, I request that the sanction of Government may be obtained at an early date.

Specification.

THE land is bounded on the north by the new delivery channel; on the south by the backyard of Arunachella Naicken; on the east by the boundary limits of Kilpakam; and on the west by a street, and measures 20 feet by 20.

SUBMITTED to Government for the issue of a declaration under Section 6 of the Act.

Proceedings of the Madras Government, Revenue Department,

No. 251.

ORDER THEREON, 24th October 1871, No. 1,814.

Miscellaneous.

ORDERED that the prescribed Notification be published, and that the Acting Collector be authorized to take the necessary steps for the acquisition of the land.
