*Proceedings of the Madras Government, Revenue Department,
24th October 1871.*

No. 268. Read the following letter from the Commissioner of the Nilgiris, to the Secretary to Government, Revenue Department, Fort St. George, dated Ootacamund, 19th October-1871, No. 80 :—

WITH reference to Proceedings of the Madras Government dated 9th December 1870, No. 1,987, I have the honour to forward a letter and statement received from the Superintendent of Cinchona plantations, reporting on the outstanding balances in his accounts up to the end of 1869-70, and to request that sanction may be accorded for writing off the accounts the irrecoverable sum of Rs. 188.

ENCLOSURE No. 1.

From the Superintendent, Government Cinchona Plantations, to the Commissioner of the Nilgiris, dated 13th October 1871, No. 92.

WITH reference to the Order of Government No. 1,987, under date 9th December 1870, and your letters Nos. 36 and 42, dated 22nd July and 31st August, respectively, I have the honour to enclose a statement of advances made to different contractors on account of the Government Cinchona plantations remaining unadjusted.

2. The advances exhibited in column 1 are all considered recoverable, namely, Rs. 601-8-0.

3. The advances shown in column 2 are doubtful. The contractors are now in low circumstances, and I fear have not the means to fulfill their agreements. The Todar Pagursh has already done some felling, and promises to do more during this dry season. It would therefore be desirable to allow these sums to stand for future adjustment. No doubt a portion of the sums shown in column 2 will be recovered.

4. The sums advanced in column 3 to maistries and contractors, amounting to Rs. 188, are irrecoverable, as some of the men are dead and others have absconded. I therefore request the favour of the Government being so good as to write off this sum as irrecoverable.
