*Proceedings of the Madras Government, Revenue Department,
7th November 1871.*

No. 13. Read the following Proceedings of the Board of Revenue, dated 31st October 1871:—

Read the following letter from C. E. GOVER, Esq., Census Officer, to the Acting Secretary, Revenue Board, dated Madras, 30th October 1871.

I HAVE the honour to request that you will be good enough to inform the Board that it is desirable that I should be furnished with a Writer and such office-furniture as is necessary for my own use. The Municipality has not provided an office for me, as most of the work could be done at the Municipal Office. The consideration of the papers forwarded to me, and the necessity that exists that the working forms should be drawn up, requires a special office and suitable furniture, as I cannot possibly attend to such matters at the Municipal Office, I have the honour therefore to request that I may be favoured with—

- 1 Office-chair.
- 1 Do. table, with side drawers.
- 1 Writing slope and the necessary miscellaneous furniture.
2. A Writer is also necessary, as the work is now becoming greater.

SUBMITTED for the early orders of Government.

2. Mr. Gover has now to prepare for the press many preliminary forms for the final tabulation of the Census returns prescribed by the Government of India, and to correspond with the Board on many matters connected with this and other points relating to the Census. He is therefore in need of a Clerk.

3. In anticipation of the sanction of Government the Board authorize Mr. Gover to entertain, from 1st November 1871, a Clerk on a monthly salary not exceeding Rs. 30, and also to purchase such office-furniture as may be immediately necessary, furnishing this office with a bill for the cost.

No. 14. ORDER THEREON, 7th November 1871, No. 1,879.

Miscellaneous.

THE Board's proceedings are approved and confirmed. They can doubtless find the necessary office room

for Mr. Gover in their own office buildings.
