Proceedings of the Madras Government, Revenue Department, 10th November 1871.

No. 49. Read the following letter from the Superintending Engineer, 2nd Division, to the Secretary to Government, Public Works Department, dated Bezwarah, 29th September 1871, No. 77:—

I HAVE the honour to report that I first heard of the proposal regarding the drainage of Avinigudda from G. O. No. 3, 4th January 1871. I called on the Range-officer for a report on the matter, which he has only now received from the Tahsildar, who also sent an explanation, through the Collector, to whom I complained of the delay.

2. It appears that the work proposed has not been done. It is for draining the streets of Avinigudda village which is surrounded by a bank; no revenue is imperilled, and I respectfully submit the Department Public Works is in no way concerned with the matter.

3. It might be included under the head Sanitation in Local Funds, but I trust that the Government will adhere to their expressed opinion that "the work appears to be one that the people might well have been expected to do for themselves." The Revenue-officers of the Kistna District are inclined to throw all on the Department Public Works, as, for example, the subject finally treated in G. O. No. 101 of 11th instant. In both cases a reference to me, before the matter was submitted to the Board of Revenue, would probably have saved correspondence.

TRANSFERRED to the Revenue Department, with reference to the orders in that department, No. 2,042, dated 16th December 1870.
