Proceedings of the Madras Government, Revenue Department, 13th November 1871.

No. 80. Read the following Proceedings of the Board of Revenue, dated 27th October 1871, No. 4,520 :—

Read the following letters :—

From the Deputy-Collector, General Duties, to the Officiating Collector of the Kistna District, dated Vinukonda, 11th May 1871, No. 95.

I HAVE the honour to bring to your notice that one Virabhadra Antireddi of Konanki in the Palnad Talook wishes to form a charitable Kunta (tank) in 2 acres of an unsurveyed block, demarcation No. 279, of 743 acres 29 cents., situated in his village. The Tahsildar states* that, as the site selected is on the side of the road running to Guntoor from Pillutla and other villages, and as no water is available in its vicinity, the work will be of the greatest use to the travellers and also to the ryots and cattle of the village ; and recommends that Antireddi may be permitted to go on with the work. I therefore beg you will be good enough to obtain sanction for the formation of the tank, and for transferring the extent which may actually be occupied by it at its completion to Poramboke. It appears that Antireddi having this year thrown a bund, without permission on the proposed site, a double assessment was charged by you at Jamabandi on the land he had encroached upon.

* Tahsildar's Report No. 274, dated 24th April 1871.

No. 1,466.

SUBMITTED to the Board of Revenue for sanction.

REPALLI, 20*th May* 1871.

(Signed) J. A. C. BOSWELL,
Officiating Collector.

From the Acting Sub-Collector in charge of the Kistna District, to the Acting Secretary to the Board of Revenue, dated Masulipatam, 26th September 1871, No. 2,986.

ABSTRACT.—Informing that the extent of land required for the tank at Konanki, Palnad Talook, is acres 0·37.

SUBMITTED for the sanction of Government.

2. It is proposed to transfer to the head of Land reserved for public purpose acres 0·37 required for a tank, which a ryot offers to excavate for the use of the public.

No. 81. ORDER THEREON, 13th November 1871, No. 1,913.
