Proceedings of the Madras Government, Revenue Department,
14th November 1871.

No. 108. Read the following Proceedings of the Board of Revenue, dated 9th November 1871 :—

Read telegram from the Collector of Tanjore, to the Secretary to the Board of Revenue, Madras, dated 8th November 1871.

Your telegram of the sixth reached this morning. I strongly urged that the Census of the whole district should be postponed to the 30th. The postponement, as regards Mayavaram alone, meets the difficulty very partially. May I take your telegram to refer to the whole district, if not, to at least Trivade, Combaconum, and Caverypattam, as to Mayavaram. Answer to Tanjore.

On further consideration and after careful discussion with Mr. Gover, the Board resolve to direct all Collectors, whose districts are likely to be affected by the concourse of people to the Palghaut and Mayavaram feasts on the 14th instant, to use their discretion as to taking the final Census (in parts that are actually affected) on any day not later than the 30th of November.

2. They are satisfied that a greater amount of serious error will be avoided in this way than would be possible if an attempt were made to count the population before they have completely settled down.

3. A copy of these Proceedings will be submitted to Government..

Ordered that the following telegram be despatched to the Collectors of Trichinopoly, South Arcot, Malabar, and Coimbatore :—

" Use your discretion as to taking the final Census in parts of the district affected by the Mayavaram and Palghaut feasts on any date that may be most convenient, not later than the 30th November."

(For Collector of Tanjore only.)

" Postpone the Census for the *whole* district to the 30th or any date (not later) that may be convenient."

No. 109. Order thereon, 14th November 1871, No. 1,927.

Miscellaneous. Approved.
