Proceedings of the Madras Government, Revenue Department, 20th November 1871.

No. 195. Read the following Proceedings of the Board of Revenue, dated 13th November 1871, Miscellaneous No. 4,075 :—

Read the following letter from the Collector of Coimbatore, to the Acting Secretary to the Board of Revenue, Madras, dated 1st November 1871, No. 270.

With reference to the Proceedings of the Board No. 3,254, dated 14th September 1871, I have the honour to report that I requested the Accountant-General to remove his objection to the one and-a-half months' private affairs leave granted, on loss of full pay, to Tirumala Pillay, Gumastah in the Kanghiem Deputy-Tahsildar's Office, on the 15th May 1871, as the leave in question could be granted by the head of the department under Government Order, Financial Department, dated 26th August 1871, No. 397; but as he states that this order has no retrospective effect, and that the confirmation by Government of the leave in question is necessary, I have accordingly to request that the Board will be pleased to obtain the sanction of Govcrnment.

Submitted for the orders of Government.

2. To satisfy the Accountant-General and avoid a repetition of this useless correspondence, it would be well to give the order retrospective effect.

No. 196. Order thereon, 20th November 1871, No. 1,972.

Miscellaneous.

The Accountant-General is authorized to give retrospective effect to the general order in question from the commencement of the current financial year.

In acknowledging the receipt of Government Order No. 1,766, dated 10th October 1871, referring a letter from the Government of India on the subject of the grant of waste lands under the *Lease Rules*, I am directed to request that some more specific information may be given as to the rules intended.

2. Waste land in this Presidency has been granted in fee-simple under the rules for the *sale* of waste lands, and has also been given on what is called "Cowle" tenure, the condition of which often is that the land may be resumed if certain improvements for the sake of which it was granted are not carried out in accordance with the terms of the grant; but the Board are not clear that it is grants of this description that are alluded to by the Government of India.
