*Proceedings of the Madras Government, Revenue Department,
23rd November 1871.*

No. 246. Read the following letter from the Acting Secretary to the Board of Revenue, to the Secretary to Government, Revenue Department, Fort St. George, dated Madras, 15th November 1871:—

I AM directed by the Board of Revenue, with reference to the Orders of Government noted in the margin, to submit the accompanying statements (Nos. 1 to 9) affording further particulars of the Income-tax results for 1869-70, contained in the statements accompanying the Board's Official Memorandum dated 22nd October 1870, recorded in Government Order dated 28th October 1870, No. 1,662.

2. The particulars now given refer to assessments on general incomes (Part IV.), to assessments on Companies (Part III.), and to assessments on Companies' servants (Part II.) The total demand and collections entered in Returns 1 to 4 and 9 correspond exactly with the totals given in the statements already submitted to Government. Between these and Return 5, however, there is a difference of Rs. 35,268, which is caused by the omission in the latter of fines levied (Rs. 6,933), which do not legitimately form a portion of the taxable demand and of sums not collected or capable of being collected (amounting to Rs. 28,335) under circumstances explained by the Collectors.

3. Likewise between Return 7, which gives classified particulars of assessments on Companies according to trades, professions, etc., and the statement of assessments on Companies recorded in the Government Order, dated 28th October 1870 *supra*, there is a small difference of Rs. 52, due to the omission in the present return of sums not collected before the close of the year.

4. The several statements now submitted furnish full information on all points connected with Acts IX. and XXIII. of 1869. As these enactments have expired long since, no more remarks seem called for beyond stating that they appear to have been worked satisfactorily.

5. Returns 1 to 8 should be forwarded to the Government of India, at whose instance they have been called for. The delay in their submission is due to the fact that some of them were not called for by the Government of India till long after the close of the year to which they relate, and that the returns from the districts, which, in some instances, were received very late, had to be considerably modified and corrected with reference to other information available in this Office.
