Miscellaneous No. 4651.

Proceedings of the Board of Revenue.
dated 19th December 1871.
Read the following.

No. 572.

From,

M. W. Barlow Esq^r
Acting Collector of Chingleput.

To,

J. B. Cunningham Esq^r
Secy. Secretary to the Board of Revenue
Madras.

Sir,

I have the honor to report on the
Board's Petition No. 1030 of 1871, presented
by Govinda Reddy and others of Ottayam-
bakkam, in the Hyderabad Taluk.

2 Petitioners complain that no remission
was granted.

On account of wet waste for 1870-71
1200 (1870-71) and (2) for withered dry crops
which

which occurred subsequent to the settlement of Hasli 1277 (1864-68).

3 They attribute the waste waste to want of water, arising from the bund of the Tanks having been breached in Hasli 1280 (1870-71).

4 There are two tanks in the petitioners' village; both of which received a full supply between August and October last year. It is true that the bund of the larger tank was breached by the heavy rains that fell in November; but the breach was closed before the end of December, and the Subdar reported, at the Jammabundy, that there was but little wastage of water; and that rains had fallen subsequent to the closing of the breach in January and February; and that at the time the village was examined (inspected) i.e. in March, the supply in the tank was sufficient to last a month. The conclusion that I came to from the above facts, was that the real cause of the waste was the neglect of the ryots rather than a deficient supply of water, and therefore declined to grant

grant permission.

5 As regards the second point it appears from the Subdar's report that the dry crops in the petitioners' village did fail in Hasli 1277-1867-68 - (a famine year) subsequent to the Jammabundy, but that through an oversight the amount was not recommended for being written off the account, at the settlement of Hasli 1278, as was done in the case of a few other villages, in which similar failure of crops had occurred. The amount of permission claimed by the petitioners on this account is Rs 30-10-6, of this the Subdar states a sum of Rs 15-5-8 has already been collected and carried to the credit of Government, so I have directed him to include the balance (Rs 15-3-1) in his statement of irrecoverable arrears for Hasli 1281, and request the sanction of the Board to my refunding to the petitioners, the amount already collected from them.

Chin, Capt. B. B. M. office.
Hydapat 24 Nov 71. } I have seen
(Signed) W. W. Barlow
Ag. Collector.

Under the circumstances reported

the sanction of Government will be re-
quested for the refund of No 16-13-5
which ought to have been permitted
in 1860-69 on account of a failure of
crop in the famine year 1864-68.
