*Proceedings of the Madras Government, Public Works Department,
30th January 1872.*

No. 595. Read the following Proceedings of the Board of Revenue, dated 17th January 1872, No. 442:—

From the Acting Collector of the Godavery District, to the Acting Secretary to the Board of Revenue, dated Cocanada, 5th December 1871, No. 398.

In their Order, dated 17th January last, 1871, No. 112, communicated with the Board's Proceedings of the 2nd February, the Government sanctioned a sum of Rupees 3,832-5-0 on account of compensation for lands taken up for the proper conservancy of the Godavery Anicut.

2. The Superintending Engineer placed the same amount at the disposal of the Revenue Department to be paid within the 31st March 1871, but as Rupees 152-11-4 could not be disbursed within the official year in consequence of the failure of the claimants to appear, the amount lapsed; a portion of the unutilized balance has since been claimed, but the Superintending Engineer informs me that no provision has been made in his Budget for the current official year to meet the charge. I have therefore the honour to request that the Board will apply to Government to provide the amount required, namely, Rupees 152-11-4, and to place the same at my disposal. I am unable to indicate the particular source whence the charge can be met.

SUBMITTED to Government, Public Works Department, with the Board's request that orders may be issued for the sum of Rupees 152-11-4 referred to in the above letter being placed by the Public Works Department at the disposal of the Collector as requested by him.

No. 596. ORDER THEREON, 30th January 1872, No. 289.

ACCOUNT, No. 57.

* Rupees 6,000.

THE Government consider that the Superintending Engineer should find no difficulty in providing the sum of Rupees 153 from his Minor New Work allotment* under Agricultural.
