*Proceedings of the Madras Government, Revenue Department,
28th June 1872.*

No. 296. Read the following Proceedings of the Board of Revenue, dated 18th June 1872, No. 1,034 :—

Read the following letter from R. W. BARLOW, Esq., Acting Collector of the Chingleput District, to the Secretary to the Board of Revenue, dated Trivattoor, 29th May 1872, No. 214 :—

IN reply to the Proceedings of the Board of Revenue, Miscellaneous No. 3,756, dated 23rd instant, communicating G. O., No. 815, dated 21st idem, I have the honour to explain that the bulk of cash and notes in the Huzoor Treasury has always been kept in a large chest, the padlocks of which are under the Collector's seal, and the key, also under seal, being kept in his custody.

2. When at head-quarters, the Collector gives out, from this box, such amounts as may be necessary to the Cashkeeper, and also places in it, from time to time, remittances as received from taluqs. As this has to be done also during the Collector's absence by the officer in charge after the box has once been opened, the bulk of the cash is under the latter's seal.

3. I may add, that I return to Sydapet the day after to-morrow, when I shall examine the treasury and re-take charge of the keys.

WHEN during the absence of the Collector there is no Covenanted Officer at head-quarters, arrangements must be made for keeping the box which contains the bulk of the treasure untouched.

2. The separate box to which the officer in charge will then have access will contain more than it will when a Collector or a Covenanted Officer is present, but that cannot be helped.
