Proceedings of the Madras Government, Revenue Department, 2nd July 1872.

No. 37. Read the following Proceedings of the Board of Revenue, dated 10th June 1872, No. 948 :—

Read the following letter from A. WEDDERBURN, Esq., Collector of Coimbatore, to the Secretary to the Board of Revenue, dated 9th April 1872, No. 51 :—

In reply to Official Memorandum, dated 27th March 1872, No. 463, I have the honour to state, that the ryots in general are averse to having the revenue, payable to Government on their lands, made over to Religious institutions. Consequently were every individual to be consulted, the commutation would be delayed.

2. As land-holders, the ryots desire to deal with Government, and have no wish to pay to other bodies of the various sects of religion.

3. If it can be effected, the scruples of objectors will be considered in the final settlement.

With reference to paragraph 4 of G. O., No. 742, dated 8th May 1872, which apparently conflicts with G. O., 25th May 1871, No. 923, the Board request definite orders whether the commutation of pagoda allowances is to be deferred pending the revision of the land assessment in all districts where a new settlement is in progress or is hereafter [illegible]ulated.

[illegible] a question for consideration hereafter whether the assessment of the lands now to be transferred can be altered at the end of the 30 years term of the present settlements.

No. 38. Order thereon, 2nd July 1872, No. 1,028.

Miscellaneous.

The commutation should be held in abeyance in those districts only in which steps have been already taken for the revision of the assessment.
