Proceedings of the Madras Government, Financial Department,
4th April 1872.

No. 31. Read the following Proceedings of the Board of Revenue, dated 26th February 1872, No. 374:—

Read again Board's Proceedings, 4th July 1871, No. 2692.

Read also the following letter from J. H. MASTER, Esq., Acting Collector of Bellary, to the Secretary to the Board of Revenue, dated 20th December 1871, No. 467.—

G. O., Public Department, No. 619, dated 9th May 1871.
Board's Proceedings, No. 3061, dated 31st July 1871.
Do. do., No. 4567, dated 31st October 1871.

I regret the delay which has taken place in submitting the list of institutions to be transferred to Local Funds Boards, called for in the orders as per margin. The delay has been caused by the inclusion by the Tahsildars of many petty village choultries or "chavadies," which have no endowment whatever, and are of a perishable description.

2. I understand the Board to require a list of those institutions which have either been built by Government, or, having been endowed by them, are under their management. There are very few of these; for, although in the list submitted on the 3rd July 1868, fifty-four Government Chuttrums are therein mentioned, many of them had been in reality built by the villagers themselves, or even if they had been originally erected from Government funds, many of them, as stated in the list, had fallen into complete disrepair, and were then stated not to be worth keeping up.

3. In calling for these lists from the Tahsildars, the old list made out in 1868 was overlooked. I will now send extracts of it to the Division Officers, and request them to state whether any institutions other than those entered by me should be transferred. In the meantime, I would beg the Board to recommend the transfer of those included in the lists accompanying.

4. With regard to the Dispensary at Hospett, I beg to state that a Notification, intimating the intention of the Government to transfer it, has, as ordered in paragraph 15 of Government Order, No. 711, dated 15th ultimo, is published in the District Gazette of to-day's date.

Enclosures Nos. 1 to 4.—Lists.

The lists will be submitted for the orders of Government.

I. Bellary.—The two chuttrums at Ramandrug cannot be made over to the Circle Board under Section 10, Act IV. of 1871, because they are not in the circle, but they may and in the Revenue Board's opinion should, be made over without reference to the Act, the Circle Board undertaking to keep the buildings in repair. Though not in the circle, the buildings are meant for residents therein.

The Board are prepared to surrender their control over the other chuttrums, and the muntapam entered last in the list on receiving the consent of Government.

The intention of Government to transfer the Hospett Dispensary to the Circle Board was published on the 20th December, and a notification to the effect may now be issued.

II. Gooty.—There are two private chuttrums the management of which should be transferred.

III. PENNACONDAH.—There are Government Chuttrums which should be made over to the Local Board.

The Collector is right in thinking that village Cutcherry buildings do not fall within the scope of Section 10.

With reference to paragraph 3 the Board await a further report.

(A true Copy and Extract.)

(Signed) J. GROSE,
Secretary.

No. 32. ORDER THEREON, 4th April 1872, No. 407.

The annexed Notification will be published in the District Gazette :—

"Under Section 10, Act IV. of 1871, and in pursuance of the intention of Government notified in the District Gazette on the 20th December 1871, the Governor in Council hereby declares the Civil Dispensary at Hospett to be vested in the Local Fund Board of the Bellary Circle."

2. The Local Fund Board is authorized to assume the management of the Chuttrums at Ramandroog on the conditions stated. The transfer is of course not made under the Act.

3. The Revenue Board is authorized to make over the management of the institutions controlled by it under Regulation VII. of 1871. It is not clear what institutions come under this category. The management of the private chuttrums may be transferred by the Revenue Authorities subject to consent of p... interested, if any. The Collector will notify that it is the intention of Government to make over the other chuttrums, and will report the date of his notification.
