PROCEEDINGS OF THE BOARD OF REVENUE, dated 1st July 1872.

Read the following letter from W. DONALD, Esq., Officiating Deputy Accountant-General to the Government of Madras, to the Secretary to the Board of Revenue, dated Fort Saint George, 17th May 1872, No. 1,[illegible]

I HAVE the honour to request that you will refer me to any order of Government or other authority, laying down the rules under which salt compensations are paid, and to enquire the maximum period within which such compensation can be claimed in arrears. Claims have been preferred after two and three years, and I doubt whether after this lapse of time they are admissible, without special sanction.

THE foregoing letter will be submitted for the orders of Government.

2. The rules under which salt compensation is granted are contained in Regulation I. of 1805, Sections 4 and 5.

3. With regard to payment of arrears, the Board recommend that Collectors be allowed to pay within the Fasli following that for which the compensation is due; that the Board be authorized to sanction payment within the second Fasli; and that older arrears be submitted for the sanction of Government.

Proceedings of the Madras Government, Revenue Department,
20th November 1872.

No. 129. Read the following Proceedings of the Board of Revenue, dated 23rd September 1872, No. 1,892 :—

Read the following letter from G. VANSAGNEW, Esq., Collector of Nellore, to the Secretary to the Board of Revenue, dated Kallur, 24th August 1872, No. 2,007 :—

THE payment of arrears of Urtawar Russum due to Griddalur Kistnaya and Venkatachellum, two of the three parties in No. 12 in the list sanctioned in G. O., No. 2,785, dated 13th October 1866, having been made from Fasli 1277 to 1280 at 8 Rupees a year, in April 1872, I have the honour to request that the Government may be moved to authorize the Accountant-General to pass the sum, viz., Rupees 32.

2. I take this opportunity of stating that several of these Russums are held by a number of persons, or the whole community of a village, in very many minute shares. In the Board's Proceedings, No. 6,541, dated 8th November 1870, and G. O., No. 1,822 of the 21st idem, the continuance of a Russum was sanctioned to the survivors. The allowance being a life-grant I have the honour to request to be informed whether the Russum should be continued as long as any share-holder survives, or should lapse with the death of one of the share-holders. If the former is to be the case it would be a matter of great difficulty to register each share-holder's name, and dispose of each lapse of a share.

3. In several cases no claims have yet been preferred, and the Russums remain undrawn from Fasli 1275 (1865-66). In some cases have been lately made for payment. I request to be informed whether these allowances may be paid on verification of title, or whether they lapse, if not claimed for two years, as in the case of pension.

SUBMITTED for the orders of Government.

2. The Board are of opinion that each share should be separately registered and treated as a separate allowance; that claims should now be admitted on verification of title; and that the allowances should be commuted under Clause IV. of the Rules contained in Standing Order 184.

No. 130. ORDER THEREON, 20th November 1872, No. 1,586.

Miscellaneous.

THE charge on account of the arrears is sanctioned with the remark that these Russums are not of the nature of Pensions and liable to lapse if not drawn for two years.

2. The procedure suggested by the Board in paragraph 2 is approved, and will be adopted by the Collector.
