Proceedings of the Madras Government, Revenue Department,

17th July 1872.

No. 121. Read the following letter from the Acting Collector of Ganjam, to the Chief Secretary to Government, Ootacamund, dated Chatterpore, 4th July 1872, No. 1,108 :—

I HAVE the honour, in forwarding copy of a telegram despatched yesterday on the state of season for the week ending 29th ultimo, to state that the fall of rain has been unusually heavy and general throughout the district; that sickness is diminishing; that I have issued orders for winding up relief operations; and that the prospects of the coming season appear to be hopeful. I would therefore suggest the desirability of discontinuing the transmission of weekly telegrams and solicit the orders of Government on the subject.
