SIR,—In the accompanying letter the Superintendent of Revenue Survey, referring to the advantages resulting from Photozincography as a means of reducing and reproducing Survey Maps, desires to introduce the process into his office; and to enable him to carry out this intention he suggests that application be made, through the India Office, to the Office of Works for the services of a Sapper thoroughly acquainted with Photozincography, especially the chemical processes.

2. The Government are desirous of giving effect to the Superintendent's suggestion, and they direct me to request that the Government of India will be pleased to move the Secretary of State to cause a suitable person to be selected and sent out to Madras on the terms as to salary, etc., stated in paragraph 4 of the Superintendent's letter.

I have the honour to be,
Sir,
Your most obedient servant,

(Signed) W. HUDLESTON,
Secretary to Government.
