No. 186. Read the following letter from the Officiating Accountant-General, Madras, to the Secretary to Government, Revenue Department, Ootacamund, dated Fort St. George, 10th July 1872, No. 227 :—

I HAVE the honour to acknowledge receipt of the Government Order, 1,005, dated 28th ultimo, and trust I may be pardoned for still asking respectfully that the employment of Dr. Ratton may be reported for the confirmation of the Government of India. I would submit that, strictly speaking, the probable duration of the arrangement does not affect the law of the case, but would point out that it has already lasted six months; of course, if Dr. Ratton had been in permanent Civil employ and his place had not been filled by an Acting Officer, and so nothing had happened beyond the deputation of an officer of the ordinary permanent staff for special duty, no report to the Central Government would have been necessary and no extra charge would have been incurred; but he holds no permanent employment and is consequently in excess of the strength of the Civil Medical Department.

No. 187. ORDER THEREON, 22nd July 1872, No. 1,102.

ORDERED accordingly that the papers relating to Dr. Ratton's employment in connection with the Salt Department be forwarded to the Supreme Government.
