Proceedings of the Madras Government, Revenue Department, 22nd July 1872.

No. 205. Read the following letter from the Sanitary Commissioner for Madras, to the Secretary to Government, Revenue Department, Ootacamund, dated Bangalore, 17th July 1872, No. 926 :—

WITH reference to the weekly telegrams regarding season, agriculture, and public health now forwarded to Government by Collectors, I have the honour to suggest, for the consideration of Government, whether it would not be advisable to record therein (in the districts* to which such records are applicable,) the depth of water flowing over the tops of the anicuts on the principal rivers. This information would be specially valuable as a record for showing the general rain-fall over the drainage areas of the several-river basins. I believe such records are kept at Dowlaishweram and Bezwada in the Public Works Department, but it would be well, I submit, to arrange for their early publication with other information bearing on the prospects and health of the several districts.

* Godavery. Kistna. | Trichinopoly. Kurnool. Tanjore.

No. 206. ORDER THEREON, 22nd July 1872, No. 1,112.

Miscellaneous.

THE Superintending Engineers will be instructed in the Department Public Works to furnish the desired information to Collectors for inclusion in their fortnightly telegrams.

(True Extract.)

(Signed) W. HUDLESTON,
Secretary to Government.

To the Public Works Department.
,, the Sanitary Commissioner.
,, the Board of Revenue.

Exd. F. R. Bantleman.
