Proceedings of the Madras Government, Revenue Department,
23rd *July* 1872.

No. 207. Read the following Proceedings of the Board of Revenue, dated 15th July 1872, No. 1,320 :—

Read the following letter from A. MACGREGOR, Esq., Collector of Malabar, to the Secretary to the Board of Revenue, dated Calicut, 12th July 1872, No. 163 :—

THE time has come round for publishing the usual notice, inviting tenders for the next annual supply of salt for this district, and I have the honour to solicit the instructions of the Board, as to whether the notice should be issued, pending the decision of Government, on the question of leaving the salt to be supplied by private enterprize.

2. I beg to remind the Board of the desirability of early orders being passed regarding private manufacture. Nearly six weeks of the monsoon have expired, and as yet the people have had no warning that they will not be allowed to re-commence manufacture after the monsoon, except on payment of excise.

SUBMITTED to Government for orders in continuation of Board's Proceedings 6th March 1872, No. 421.

2. The Board request immediate orders on paragraph 1 of the Collector's letter.
